Ingredients: Freeze dried fruit - varies by flavor (Mangos, peaches, pineapple, or blueberries, blackberries, bananas, or strawberries, raspberries, pineapple), non-gmo soybeans, psyllium husk, L. Acidophilus blend (probiotics), natural vitamins from blend of guava, lemon, sesbania, amla, holy basil, and annatto extracts. **Directions:** Mix one pouch with 24-32 oz of liquid. Shake, stir or blend. For added flavor or thickness, blend with water and juice or water and frozen fruit. Drink three times per day.

Does not contain gluten, dairy, animal products, corn, starch, artificial colors, flavors, or preservatives. Contains fructose and non-GMO soy. Distributed by: Kaeng Raeng Inc., Palo Alto, CA, 94306. Packaged by: Multivitamin Direct Inc., San Jose, CA 95131. For best results, drink three times per day with raw fruits and vegetables for entirety of program. If mixture is too thick, add more liquid. Best served very cold. Contains real fruit. Chunks of fruit may form when added to liquid. For best results, drink three meal replacement shakes per day. Do not exceed three servings per day. Do not use this product in excess of six consecutive days. Taking this product without adequate liquid may cause choking, dehydration, or cramping. Those with medical concerns should consult with a physician prior to using Kaeng Raeng or any dietary supplement. Do not use this product if you are pregnant or nursing due to low caloric intake. Keep out of reach of children. Consult a physician before use if you are taking any other drug, especially antibiotics as this product contains probiotic cultures. Stop use if you experience severe pain, nausea, or vomiting, or if you feel dehydrated. Kaeng Raeng is not meant to treat, cure, or prevent any illness or disease.
